

### Reading Daily

Read today for 30 minutes and fill in your planner.

When you have completed a book, then complete the quiz. You can access AR Reader and quizzes online whilst at home. Choose another book within your range using AR Bookfinder to check the level. Record in your diary how much you have read. Email me and tell me when you finish a book and what you thought of it.

Please make sure that you are taking a quiz when you finish your book. Get Reading and Get Testing! If anyone is short of books to read, please email me on: [mrswalker@alsagerhighfields.cheshire.sch.uk](mailto:mrswalker@alsagerhighfields.cheshire.sch.uk)

### Maths

#### Angles in special quadrilaterals

Log on to White Rose

<https://whiterosemaths.com/homelearning/year-6/>

and choose **Summer Term Week 11 Lesson 3** and watch the video.

Then complete the **questions** attached to the bottom of the class webpage.

Mark your work using the **answers** attached to the bottom of the class webpage

When you have completed this, you could spend some time on RM Easi Maths if you wish to. You have your login.

<https://www.rmeasimaths.com/Easimaths/Account/Login>

Or you could try the questions and videos on Gareth Metcalfe

<http://www.iseemaths.com/home-lessons/>

### Spellings

This week think of ten words that you often spell incorrectly in your writing and practise them. Choose words that you use regularly and make the same mistake with. Try to think of a mnemonic or another way of remembering the word. Can you remember lots of you kept writing believe rather than believe?

### Times Tables

This week enjoy practising what you have learned on TTRS.

<https://play.ttrockstars.com/auth/school/student>

Wednesday 15<sup>th</sup> July 2020

### Writing Task

#### Advice for the Year Below

Today, I would like you to write a bullet point list of advice for children coming into Year 6 next year.

Your advice can be helpful, but you can make it amusing if you want to. For instance:

- Don't walk into Mrs Walker's room with muddy shoes!
- Make sure you pick up the pencils from under the desk.
- Underline dates and titles.
- Pick up the lego pieces or you don't get to use it again!

You will probably come up with lots more. It would be great to see what you do come up with!

### The Big End of Year Picture Quiz

This afternoon, again there is something different. You need to use your powers of observation; your ability to reason and your powers of deduction.

Either explore the power point or use the activity sheets which show a magnified image of an object. You must decide what the picture is using only the magnified image.

Can you guess what each one is using your powers of deduction and reasoning to identify it.

You can play this game by yourself or with a brother or sister or as a family. Who is the best?
