The school opened in October 1988 and integrates general teaching, practical and home-bay areas, a library and a computer suite. An extra classroom and new offices were added in September 2012, which has allowed the old office area to be used for small teaching groups. Situated alongside the main school is an annexe building of traditional design which contains four Infant classes. A double mobile classroom housing the 'Hoppers' playgroup was opened in 2005. The school grounds include a sports field, astroturf, an outdoor classroom, play areas, a pond and a woodland area.
